

WAIVER OF RESUME SUBMITTAL NOTIFICATION

In order to expedite solicitation of your resume to accommodate the urgent requests of our client's job orders it is occasionally time prohibitive to notify you in advance. Your credentials are always solicited confidentially, through the removal of your address and telephone number. Our clients are prohibited from contacting you directly either at home or at your place of employment or referencing your credibility without the permission of McIntosh Staffing Resources, LLC and yourself. Should you experience the contrary, please contact our office immediately.

- I give you permission to solicit my resume without notifying me prior to doing so.
- I prefer that you do not solicit my resume without prior notification and understand that should I choose this option your attempts to notify me may impede or eliminate my candidacy for consideration for time sensitive job orders.
